Minnesota Reflections, the premier project of the Minnesota Digital Library (MDL), contains a collection of over 270,000 images, maps, and documents from more than 192 of the state's cultural heritage organizations, offering resources on Minnesota's history and geography for researchers, educators, students, and the public. MDL is funded by the Minnesota Arts and Cultural Heritage Fund of the Minnesota Clean Water, Land, and Legacy Amendment to the Minnesota Constitution via the Minnesota Historical Society (MNHS). Minitex provides additional funding. Further in-kind services are contributed by MDL's collaborative partners, including the University of Minnesota.
